Dear Contractor:

10 CFR 851, *WORKER SAFETY AND HEALTH PROGRAM*, DEPARTMENT OF ENERGY
EVALUATION AND APPROVAL

Reference: XXXXXX's Worker Safety and Health Program submittal

In accordance with 10 Code of Federal Regulation (CFR) Part 851, *WORKER SAFETY AND HEALTH PROGRAM*, Subpart B, Paragraph 851.11, the Department of Energy has evaluated your Worker Safety and Health Program (WSHP) that describes the methods by which you intend to implement the requirements of 10 CFR 851. Based on a review of your submitted program and the nature of the work associated with contract ##### the Department accepts your WSHP as meeting the requirements of 10 CFR 851, Subpart B, Paragraph 851.11.

You are required to implement the applicable policies and directives described in you WSHP by May 25, 2007. Please note, that acceptance of this WSHP does not eliminate your responsibility from meeting all appropriate requirements in 10 CFR 851 subpart C and Appendix A.

The Department appreciates your continued active involvement in implementing this rule and in maintaining a safe and healthful workplace for your employees and those with whom they work.

If you have any questions, contact Procurement Officer's Name (Organization Representative) at 865-AAA-BBBB.

Sincerely,

Concurrence:
